PETITION TO WITHDRAW NOTICE OF ABANDONMENT

Further to a teleconference with the Examiner, Applicant respectfully requests that the Notice of Abandonment be withdrawn. As noted in the Notice of Abandonment, a reply to the outstanding Office Action and six-month extension of time were received by the U.S. Patent Office on October 7, 2002. However, Applicant notes that the reply to the outstanding Office Action and six-month extension of time were timely filed with the United States Postal Service on September 27, 2002, which was the deadline to respond to the outstanding Office Action. Applicants enclose the following as evidence that the reply and extension were timely filed with the U.S. Patent Office:

- (1) A copy of the Certificate of Mailing Under 37 C.F.R. 1.8; and
- (2) A copy of the date-stamped return receipt postcard.

A prompt and favorable decision on the Petition is earnestly solicited. It is believed that no fee is required. The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account 13-2165.

Respectfully submitted,
